MAY BRUSH COLLECTION

May Brush Collection is scheduled for the week of May 20, 2019.

Please make sure you have your brush piled with cut limbs facing the street and no larger than 6" diameter limbs. At no time should brush be placed over the curb or on the street. Brush collection is intended for residential yard maintenance only. Township crews will spend a maximum of 15 minutes collecting brush at each property. Monthly collections are one time around only. If you miss the collection, Township crews will not return until the following month. The township will not collect brush that resulted from removing entire trees or performing clearing operations.

[2019 Brush & Leaf Collection Guidelines](#)

Brush collection is performed monthly and tentatively occurs the third week of each month. The schedule may be subject to change due to weather and other scheduling restrictions. Please regularly check the College Township website for schedule updates.
