Procedure for Applying for and Retaining a Rental Housing Permit

1. When applying for a new rental permit or change the information on an existing permit, the application is the same. It is imperative to notify the Municipality and Centre Region Code Administration (CRCA) of any change in ownership or property management within 15 calendar days of the property transfer. Rental housing permits are transferable upon change of ownership, providing the permitted use has not changed. Failure to obtain a new permit or change information on an existing permit could result in legal action.

2. Rental housing permit applications are available at the municipal zoning office, CRCA office, online at www.crcog.net/crca, or the municipal websites. Please see page 3 for contact information for the municipal offices. ALL APPLICATIONS MUST BE SUBMITTED DIRECTLY TO THE ZONING OFFICE OF THE MUNICIPALITY FOR REVIEW. Centre Region Code Administration (CRCA) cannot accept applications without zoning approval.

3. All the required forms in the application packet must be completed and submitted. Incomplete applications will be returned, resulting in delays in the permit.
   a. Rental Housing Permit Application – Please complete all sections of the form and sign. For rental units in Bellefonte Borough and College & Ferguson Townships, please note on page 1 of the application if the unit will be used for long term or short term use. Additional fees may apply. See page 3.
   b. Property Grid – Please complete the top section and the drawing at the bottom.
   c. Person In Charge Form - If the property owner resides more than 25 air miles from the property, a person-in-charge who resides within 25 air miles of the property and is at least 25 years old MUST be indicated on the enclosed form. Consent of the person-in-charge is required.
   d. College Township Rental Property Application Checklist – If the property is located in College Township, please complete and return the College Township rental property application checklist along with the CRCA rental housing permit application.
   e. Ferguson Township Application for Short-Term Rental – If the property is located in Ferguson Township and you intend to use the property for short-term use, please complete and return the Zoning Application for Short-Term Rental along with the CRCA rental housing permit application. The Ferguson Townships Zoning Application is NOT REQUIRED for long term rentals.
   f. Bellefonte Borough Zoning Permit Application – If the property is located in Bellefonte Borough, please complete and return the Bellefonte Borough zoning permit application along with the CRCA rental housing permit application.

4. Completed rental housing permit applications must be submitted directly to the municipal zoning office for review. (see page 3 for municipal contact information)

Applicable application fees are required with the submission of the application
   - Bellefonte and State College Boroughs and College and Patton Townships require application fees.

Payment should be made payable to the municipality. The zoning office will determine if the property is zoned for the proposed use, what the allowable occupancy is for new applications and record change of ownership or management for revised applications. There are no application fees for Ferguson or Harris Townships. However, Ferguson Township does have a short-term rental policy. A Zoning application may be required with a $25 fee.
   a. The Borough of State College requires a $25 application fee for new applications or any existing rental housing permit change. (Multiple units on the same tax parcel, one application, one fee) Applicable fees must be included with the application and made payable to the Borough of State College.
   b. Patton Township requires a $30 application fee (per unit) for new applications or change of ownership only. (A single application can be submitted for multiple units on the same tax parcel) Applicable fees must be included with the application and made payable to the Patton Township.
c. **College Township** requires applications for all new rentals (Zoning Permits are not transferable). College Township will process a change of ownership as a “new” rental. College Township also requires annual renewals for short-term rentals. Fees for Long-Term Rentals are $35 per unit, and Short-Term Rentals are $165 per unit. *(Example: Air B&B, weekend rental homes, etc.).* **Applicable fees must be included with the application and made payable to the College Township.** *(A separate application must be submitted for each unit.)*
